

A Thank-You To Their City

OCT 19 1988
Jamestown gold yesterday in the form of a record and cassette from its band, **10,000 Maniacs**, who gave the gift as a thank-you to the city. The band's most recent album, *In My Tribe*, went gold several months ago and is now on its way to

platinum, with most predicting a million sales by Christmas. From left are lead guitarist Robert Buck, keyboardist Dennis Drew, Mayor Steven Carlson, vocalist Natalie Merchant, drummer Jerry Augustyniak and bassist Steven Gustafson.
