Fans of musical group **10,000 Maniacs** waited in line outside the Reg Lenna Civic Center Saturday morning to buy tickets to a May 8 civic center benefit performance. Near the front, from left, are Dan Gustafson and Jeff Pratt, who got in line at 8:30 a.m. Many fans stood several hours in line before the civic center box office opened at 10 a.m. A few tickets remain for the show and will be on sale Tuesday starting at 11:30 a.m. at the box office.
