

## Maniac Donation

JUN 15 1994

Dennis Drew, seated, keyboard player from **10,000 Maniacs**, presented two platinum records to SS. Peter and Paul School at this year's spring concert. A record must sell at least 1 million copies to become platinum. Drew, a 1972 alumnus of the school, returned to share his success with the students and school community. Principal Patricia Windsor, far right, holds a platinum compact disc.
