

Lundine: I'll Wait

Will Rep. Stanley N. Lundine run for president?

AUG 20 1979
"At least not until I grow up," Lundine laughed this morning. The question came after Lundine commented that he will support Jimmy Carter's bid for re-election.

On the more serious side, Lundine said that if he were to run for any higher office it would have to be in state government. At the present time, however, he said he has no plans to run for any other office.
