AVM Corp. Becomes American Locker Group

The name change of Jamestown's AVM Corp. to American Locker Group Inc. has resulted in a change in its trading symbol to "ALGI" for the over-the-counter market system, according to Leo W. Pietrack, vice president-finance/secretary/treasurer.

He said stock price quotations for the company's common shares continue to be reported in *The Wall Street Journal's* national market section under the new name of "American Locker Group Incorporated."
