

Art Metal Names Two Management Officers, Elects Vice President

AUG 9 - 1960

Falconer Jones, president of Art Metal, Inc., announced today the appointment of two management officers and the election of a Bronxville man as a vice president of the firm.

Charles M. Dolan of Buffalo has been appointed industrial relations director for Art Metal, Inc. The appointment is effective immediately.

Mr. Jones also announced that effective Aug. 1 Kenneth E. Schreyer was appointed director of product engineering.

Raymond J. Dervey, Bronxville, was elected a vice president of Art Metal, Inc., at a Board of Director's meeting held last week in New York City, Mr. Jones said.

Mr. Dolan will be responsible for all phases of industrial relations at all divisions of Art Metal.

Before joining Art Metal, Mr. Dolan was industrial relations manager for the Curtis-Wright Corporation of Buffalo since October, 1956. Prior to that he was labor-relations manager for the Lycoming Division, Aviation Corporation of America. For 10 years he was in industrial relations with
