

hues intermingle.

Thus the time wears on at Celoron, each turn bringing some novel surprise, each moment some new pleasure. Do you wonder that Celoron is one of the most famous and popular

resorts in western New York?

*[Reprinted from the July 1996 issue of the CHAUTAUQUA MIRROR from the original as it appeared in "The Cicerone," an 1897 travelers' guide published*

*by a regional railway line to entice potential rail riders to visit.]*

Celoron Amusement Park in 1886 just after the construction of the Phoenix Wheel and just prior to the opening of the park for the season.
