

Checked in Nick 'o Time, Squint After Fire Shows

MAY 5 1950

CRAWFORD FURNITURE PLANT FIRE—Clyne Crawford, (lower photo) president of the Crawford Furniture Manufacturing Corporation, is shown checking damages from water following a spray booth fire at his Allen Street plant Thursday night. The fire set off several sprinkler heads, flooding all floors in the corner of the building. In upper picture, firemen are shown applying water on the roof and ventilator which runs from the spray booth.
