

MAN DIES IN SAWMILL ACCIDENT

An ambulance waits outside the Crawford Furniture Studd and Whipple Division sawmill on Church Street in Conewango Valley following a sawmill accident Wednesday that left one man dead. The sawmill's manager, Leroy F. Emley, 56, of 5557 Church St., Conewango Valley, died when he apparently fell into a lumber-cutting saw for an unknown reason. He was pronounced dead at the scene by Chautauqua County Coroner Michael Nielson. The Chautauqua County Sheriff's Department is continuing its investigation.
