

# Strike Parley Continues at Dahlstrom's

FEB 22 1950

The strike of some 600 members of UE Local 307 at Dahlstrom Metallic Door plant entered its 15th day today as officials of the union and company continued negotiations at 11 A.M.

Clarence LaMotte, U.S. Conciliator from Buffalo, will take part in today's parley.

As yet, progress of the negotiations during the latter part of last week and this week has not been reported by the union or company.

Local 307 is asking for a general wage boost, a company-paid insurance plan and two additional paid holidays a year. Picketing at the plant has been continued since the first day of the strike, Feb. 7.
