

**ELLISON BRONZE CO. INC., ADDITION PLANNED**—Construction on a 10,000 square foot addition to Ellison Bronze Co. Inc., 125 W. Main St., Falconer, will get underway immediately and work is expected to be completed by late September. The new building, that includes a hydraulic-elevator in the two and three floor buildings, will house a shipping department and warehouse, as shown in the artist's drawing. Barnes Construction Co., are general contractors for the project.
