## Ellison Employees Reject IAM Bid

Employees of Ellison Bronze Co., Inc., 125 W. Main St., Falconer, rejected a bid by the International Association of Machinists, AFL-CIO to become the plant's bargaining agent, yesterday by a vote of 41 to 28.

The election result, conducted under the supervision of the National Labor Relations Board, means the company's own local, the Ellison Employees' Union, will continue as bargaining agent.

Under law, at least one year must elapse before another election can be held. Robert Morley represented the NLRB at the election held at the plant.
