PRENDERGAST BLOCK AND THIRD STREET—Photo looking northwest shows the Prendergast Block and Third and Main Streets, income of which supported James Prendergast Library for many years, and the scene of Masonic gatherings before the turn of the century. Church at far left is the old First Presbyterian Church at Third and Cherry, on the site of today's Hotel Jamestown. Lad standing at corner of Prendergast Block, foreground, wears tight coat, knee breeches, long stockings, and high topped shoes, "uniform" of the day.
