

PROPOSED NEW CIVIC THEATER—Architectural rendering of the \$125,000 plant of Little Theater which would utilize the former Howard Johnson restaurant property at Fairmount and McDannell, already purchased. The new setup provides for an auditorium seating 500 to 800, modern stage, workshop, facilities for promotion of children's theater, radio drama, modern library and exhibit hall. Also available will be plenty of parking space off the street and special bus facilities. Entrance to auditorium will be either through foyer or from side.

Little Theater Drive Opens With Kickoff Dinner Feb. 26
