

Historian Speaks

To Sunshine Society

MON MAY 26 2003

A program on the Underground Railroad Tableau, a project of Chautauqua Region Community Foundation, was presented by Jamestown historian B. Dolores Thompson at a recent meeting of the Sunshine Society of Immanuel Lutheran Church.

Norma Anderson presided over the meeting at which Edward and Helen Bagnall were honorees of the month. Committee reports were given and refreshments were served.

The society's next meeting will be its annual tea June 4 in the church's Fellowship Hall.
