UNDERGROUND RAILROAD STATUE

From left, Dr. Georgiana Stewart, Underground Railroad Tableau Steering Committee member; B. Delores Thompson, steering committee member and city historian; Dave Poulin, sculptor; Randy Sweeney of the Chautauqua Region Community Foundation; and Lula Taylor, steering committee member and Chautauqua County legislator, stand around the first of three statues that will be part of a tableau to be placed in Dow Park. Enough money has been raised to start the first statue. A public presentation about the tableau will be held Thursday, July 24, in the park.
