Merriam G. Kohlbacher, 134 Newton Ave., has been promoted by the Jamestown Lounge Co., to Merchandise Mart showroom manager in Chicago, Ill. He succeeds Victor Seaburg Sr., formerly of Jamestown.

J. Erskine Myers, 3 Valley View Ave., succeeds Mr. Kohlbacher as the company's Jamestown Furniture Mart showroom manager. Mr. Kohlbacher has been associated with the company more than a decade.

Mr. Myers, who has been with the firm 25 years, will continue to represent the company as its western Pennsylvania representative.

Mr. Seaburg, who retired on his 80th birthday, had been with the Jamestown Lounge Company more than 30 years.

He was previously associated with the former Seaburg Furniture Mfg. Co., which was located in Steele Street near Sprague Street.

The Seaburg firm sold its property to the City of Jamestown nearly 20 years ago and the Board of Public Utilities used it to build an addition to the power plant as part of an expansion program.
