

## Local Firm To Exhibit

This dining room grouping of seven pieces of regional collection in the Rural French styling will be shown at the Chicago Jan. 6-12 furniture show by Jamestown Lounge Co. An exclusive-designed fabric by Orinoka Mills, Philadelphia, Pa., for the local company, covers the seat and back of the arm and side chairs; other chairs appear with cane back. The oval table is 68 inches long when closed and with two 24-inch leaves, extends to 116 inches. The table is 44 inches wide and 29 inches high. The table and chairs have French crabirole-styled legs. In the background is a 3-door china breakfront with brass grill and glass. The grouping has a crouton finish. The chairs will retail from \$300 each, the table from \$700, and the china breakfront from \$2,000.
