

Book Sale/Family Literacy Fund Voucher Application Form

Books for Children/Families

The Prendergast Library established a Book Sale/Family Literacy Fund which provides used books to organizations that serve children and/or families. This fund has been made possible due to monetary donations given to the Library for the purpose of getting books into the hands of those who may need them and/or for educational purposes.

Each voucher is \$20.00 (depending on availability). Please complete this form and return it to the Library if you would like to have free books for your organization. Once the application is approved, you will be notified by phone and the contact person from your organization may pick up the voucher and select the titles from the ongoing Book Sale at Prendergast Library.

Organizations that wish to donate to the fund should contact the library directly at: 484-7135 ext. 253.
