Call 484-7135 ext. 225 to schedule an appointment

Genealogy Lab

This new program meets every Wednesday in the PCC Lab. Come work on your genealogy project in a fun group setting, with a staff member available to answer questions.

* A Webinar is an Internet based interactive class, where students receive instruction via video from an instructor off site (the Webinar can be accessed in the Prendergast PCC Lab). Classes marked with an asterisk are funded by the NYS Library's Adult Literacy Services grant program through the Chautauqua Cattaraugus Library System. If you have any questions, please call the Prendergast Library Information Desk at (716) 484-7135 ext. 225.
