What Children's Room designations mean and where to find them

E BOOKS

E BOARD- E Board books are located on shelves in the center of the Children's Room, right next to the play area. These books are generally sorted by size and are not placed in any particular order.

E PAPER- E Paperback books are located on the ends of shelves in the Children's Room, near the E Fiction section. These books are sorted by the first letter of the author's last name, and the letter ranges for each rack are listed at the front of each section.

Note: While the sections are sorted alphabetically, the books within each section will not be. Additionally, some "character" paperbacks are located on a spinner by the windows; these include *Thomas the Tank Engine*, *Lego*, and *The Berenstain Bears*, among others.

E FICTION- E Fiction books are located on the shelves at the far side of the Children's Room. These books are sorted by author last name, and the letter range for each shelf can be found on its end.

Note: Some popular authors' books are located in separate sections on top of the shelves. If you can't find the author you're looking for, try looking up! If an item is marked "**E BIG BOOK**," it can be found in a bin by the front windows.

E READER/E PAPER- E Readers are located in the archways between the "E" and "J" rooms. They are divided between paperback and hardcover and are sorted by the first letter of the author's last name.

Note: While the sections are sorted alphabetically, the books within each section will not be.

J BOOKS

J PAPER- J Paperback books are located on spinners in the Children's Room. These books are sorted alphabetically by author last name. The letter range for each spinner is located at the top.

Note: Some popular series are located on a separate spinner near the elevator.

J FICTION- J Fiction books are located on the shelves in the Children's Room. These books are sorted alphabetically by author last name, and the letter range for each shelf is listed on the end.

J GRAPHIC- J Graphic Novels are located on the shelf between J Fiction and J Nonfiction in the Children's Room. These are organized by author last name.

NONFICTION- J Nonfiction books are located to the right of J Fiction in the "J" section of the Children's Room. These are organized by Dewey Decimal call number. All children's nonfiction is in this section. J-level biographies are also in this area and are sorted by the subject's last name.

Note: Remember, books on the same subject will be grouped together by call number!
